Sample No. [REDACTED] Taunton P.D.

Sonja ran this sample, and it needs to be confirmed as crack, so Sonja is planning to go to Jamaica Plain on February 10 to run this on the IR. The sample hasn't been returned by the Taunton Police yet, so Shirley is going to call them to get it back. Does that work for everyone?

Betsy, were you able to open the message from Glenn MacKinlay?

Attached is a request for a re-testing for cocaine base. Please contact Patrick Hamilton, contact info on the letter, to discuss the weight, samples, ect. I am having the Taunton PD transport the drugs back to you. Sorry that we could not catch this before testing was completed.
